TO THE STUDENTS OF WAKEFIELD

At Wakefield you will have the privilege of taking advantage of a school program built by the cooperative efforts of parents, students, and school staff. You will, at the same time, have the responsibility of making a personal contribution that will insure that the program in this year will be no less successful than in preceding years.

Wakefield students constantly strive to conduct themselves with mature good judgment as ladies and gentlemen. They also demonstrate by their behavior their belief that self-discipline is a personal achievement of importance and worth striving for. When they enter competition, they play fairly and well; they have enjoyed success in the activities that we conduct in cooperation with other schools. Our students demonstrate by their behavior that they recognize the importance which literature, art, and music assume in living creative, full lives. They show by their interests and their activities that they are becoming cultured, liberally educated individuals.

Our student government provides each student with opportunities for active participation in school government and our school program has been nationally recognized for its contribution to American citizenship. Our students in the pursuit of their class studies have made good progress and have demonstrated qualities of scholarship which in the past has stood them in good stead in college and in various employment fields. A gratifying number of our students have excelled in national competition.

This was made possible by the way each student and staff member has done what he could to make our school better. You must continue to help build this program and take advantage of the opportunities provided the school. During the secondary school years you have a greater number of people interested in your welfare and willing to help you than you will at any other time in your life. During these years the opportunity for rich and varied educational experiences is more immediately present than at any other time in your life. I urge you to take advantage of the opportunities that Wakefield offers and to leave it at the end of the year a finer school by reason of your having been a part of it.

I wish for you every success in the coming school year!

HAROLD M. WILSON

STUDENT COUNCIL GREETING

Wakefield is beginning its fourth year of operation, and sponsoring the publication of its third annual handbook. The purpose of this handbook is to orient new students and acquaint them with opportunities and activities offered at Wakefield, and to acquaint those students who are not new at Wakefield with the ever growing program of activities.

We hope that this handbook fulfills this purpose and enables you to become an active member of our student body. If you have any questions about Wakefield we urge you to present them to the Council.

The Student Council wishes to thank the students who participated in arranging this handbook and hopes that the year 1956-57 proves a successful one for Wakefield.

ACTIVITIES LETTER AWARD

Activities letters will be awarded on the following levels:

1. One letter in Junior High School.
2. One letter for school activities in Senior High School.
3. One letter for athletic participation in Senior High School.

Awarding of all letters on both Junior and Senior High levels will be based on 100 points. This letter shall represent participation in all school activities. In order to avoid a situation in which a student participates in only one activity, a maximum of 75 points may be earned toward a letter in one field. Activities have been grouped under five specific headings, and points apportioned accordingly. Students are to be assigned the number of points as indicated or according to the sponsor's evaluation of the student's participation. Where a maximum number of points have been assigned students can receive up to the maximum if the sponsor so desires.

ASSEMBLIES

Assemblies are an important part of school life and will be held each Tuesday for some part of the school. Because of the size of the school, the eighth and ninth grades will ordinarily attend assemblies together, while the tenth, eleventh, and twelfth grades attend assemblies together. On alternate Tuesdays those students not attending assemblies will be occupied in their home rooms.

A calendar of programs will be completed early in the school year and posted on the home room bulletin board. A planning committee composed of the principal, speech department heads, faculty grade chairmen, and representative students of each grade level meet to discuss assembly possibilities and to set up the year's program.

Through the purchase of these cards students receive a substantial saving, as well as guarantee the support to all athletic activities that are part of the school.

In addition to these activities there will be developed a program of intramural sports for those boys who do not choose to compete on varsity level but who are still interested in athletic participation. They will receive much pleasure from such participation as well as earn points toward an intramural award.

ATHLETICS—GIRLS

All athletic activities for girls in both the junior and senior high are organized on an intramural basis. This program is incorporated as the Girl's Athletic Association.

Activities to be offered this year are:

Soccer	Volleyball
Field Hockey	Basketball
Archery	Softball
Tennis	Ping Pong
Badminton	Shuffleboard
Swimming	Golf
Trampoline	

Awards will be given to girls on a point system basis. A program of inter-school playdays will be planned in order that the girls of Wakefield may have the experience of competing with other junior and senior high school students in the area.

ATTENDANCE

In order to achieve that maximum from your school experience, you must be regular in school attendance. Regular school attendance and punctuality are two traits employees are vitally interested in when reviewing a candidate for employment.

When a pupil is absent he must bring a note dated and signed by one of his parents stating definitely the reason for his absence. Absence due to illness, quarantine, death in the family, and acts of God such as hurricanes, floods, etc., are considered excused. Absences from school without permission of parents or school authorities is considered truancy and will be dealt with severely. Pupils who have been absent must assume full responsibility for making up work which they missed. Make-up assignments are to be secured from the subject teacher.

Students who anticipate an absence are requested to present a note to the home room teacher signed by one of his parents and approved by the dean, stating the reason he is to be excused. This note should be submitted on the day preceeding the anticipated absence.

AUTOMOBILES

Automobiles are not to be driven during school hours or lunch periods without special permission from the office. Students are not allowed to sit in cars during school

hours or lunch periods. All cars driven must be registered in the office. This is for your own benefit in case of an emergency.

Students should park in the student parking area or on streets adjacent to the school. When parking on side-streets consider the home-owner and avoid inconveniencing him.

CAFETERIA

Wakefield's cafeteria is located inside the door from the Dinwiddie Street entrance. Four lines are provided to meet the lunch needs of the students:

1. Two lines where plate lunches, including milk, meat, two vegetables, bread and butter, and dessert are served for 35 cents.
2. An a la carte line where sandwiches, soups, salads, and desserts are served separately.
3. A line where milk may be bought at a cost of 4 cents.

Food is carried from the lunch line to the tables on trays. Before leaving the cafeteria all trays, dishes, and silverware are to be returned to the windows provided; and all trash is to be put into the waste baskets placed around the cafeteria. All food is to be eaten in the cafeteria.

CHEERLEADING

Wakefield has three groups of cheerleaders, Varsity, Junior Varsity and the Junior High Group. These girls were selected by a committee composed of staff members and representatives from each homeroom. Varsity and Junior High cheerleaders are selected during the spring for the following year. The Junior Varsity cheerleaders are selected in the fall from the tenth and eleventh grades so that incoming students from "feeder" junior high schools may try out. All students are given ample notice concerning practices which are held prior to the tryouts.

CIVIL DEFENSE—FIRE DRILL

Fire and Air Raid Drills will be held at different times during school day so that emergency conditions are approximated and so that students will receive this training in all class situations. Students should follow instructions given by staff members carefully.

CLUB PROGRAM

The Club program is conducted during the activity period of the school day, usually once a week. There are many clubs with a wide range of activities from which the student may choose. Clubs are organized to suit every interest. These may be curricular in origin, such as the French Club, or of a hobby or recreational nature, as the Chess or Rod and Reel Club. Everyone is urged to participate.

Clubs are under the direction of Wakefield's Inter-Club Council.

This Council is composed of a representative of each club and meets with the Third Vice President of the Student Body presiding.

For further information, see the Club Handbook.

If it is necessary for the student to be excused from school the nurse will contact the parents and make arrangements to transport him to his home.

HISTORY

Wakefield High School began its first year of operation in September of 1953. The school received its name from George Washington's birthplace in Westmoreland County, Virginia. Green and white were selected as our school colors, and a warrior insignia was designated signifying our nickname "Warriors".

The bulk of Wakefield's student body in 1953 was composed of Dolly Madison's former pupils and many students from Thomas Jefferson. School enrollment for 1953 was approximately 1500; 1954 found Wakefield a school of 2100; and last year almost 2500 students attended. Our building is now complete and our teaching staff has grown to over 130. Our facilities, staff, and opportunities afford all students participation in a well-rounded school program.

Last year, Wakefield's first senior class with the aid of staff members and administrative advice chose a senior class ring. Last year, too, was the first year senior honor cards were issued.

1955-56 was Wakefield's first year in Group I athletic competition. The tradition of a football queen and her court was initiated following our annual football game with Washington-Lee High School. Several school songs have been written and along with these many other school customs have been established to aid in making Wakefield outstanding in the area. You, as a member of the student body of Wakefield, have the responsibility of continuing and developing school spirit and tradition.

INSURANCE

A plan of insurance covering the length of the school year will be offered to all students on a voluntary basis with the payment of a \$1.50 premium. This policy provides accident coverage for the regular school day and a reasonable time before and after school. Hospital and

medical expenses are included. The school is not acting as an agent for any insurance company, but offers this plan to the students who wish to participate.

JOB PLACEMENT SERVICE

A job placement service is conducted by a student committee under the direction of a member of the Guidance staff. Students desiring help are to apply to this Placement Counselor. Information about work permits can be obtained from this office.

During the school year 1955-56 a committee composed of Key Club members was organized as a working group to explore opportunities for students either as full or part-time employees. An adult group selected from representative community businesses functions in an advisory capacity with the school examining applications and training practices. Through these services, it is hoped that more job opportunities will be awarded to Wakefield students.

Students who know of job opportunities are requested to make these known to the Placement Office.

LIBRARY

The Wakefield High School Library is open a half hour before school and until the arrival of late busses after school. Students may enter the library during class with a signed pass from their teacher. Books are circulated for a period of two weeks with a fine of two cents per day for overdue books.

The Wakefield book collection is rapidly growing. There are over 11,000 volumes and more than 100 periodicals. Map collections and college bulletins are also available.

LOCATION OF ROOMS

All rooms numbered 1 to 100 are located on the ground floor next to the Athletic fields. Rooms numbered 100 to 200 are located on the first floor, and rooms numbered 200 to 300 are located on the second floor. Numbering begins on the southeast corner of the building and continues clockwise around the building. On the ground floor numbering starts at the northeast corner of the building. Floor plans have been placed on walls throughout the building for your convenience.

LOCKERS

Hall lockers are available for storing personal and school property of the student. Locker combinations are issued by the home room teacher. No deposit fee will be charged for the use of this facility, however, periodic locker inspections will be held, and any damage resulting from other than normal use will be charged to the student.

Always keep your locker locked. Do not leave money or other valuables inside. Never bother other lockers; you would not want to be suspected of bad intentions. Keep trips to your locker to a minimum between classes to avoid congestion in the halls. Report any damage done to your locker at once. Be sure not to put pictures or mirrors in your locker and do not tell anyone your combination.

LOST AND FOUND

The Lost and Found Department is located in room 147 and will be open at certain times during the school day for students to turn in or to inquire about misplaced or lost articles. A senior high organization will be responsible for this department.

If you find an article that appears to be lost, turn it in to the Lost and Found as soon as possible. If the Lost and Found is not open, hand it in at the main office.

Students are urged to claim their lost articles immediately as they are transferred to the Arlington County Police Department after 30 days.

PUBLICATIONS

There are four literary publications at Wakefield. The Signal, the school paper, is published every two weeks and is included in the fee students pay for class dues. The Pandulum, the literary magazine, is published three times a year and is paid for by subscription. The Starstone, the school annual, is ordered and paid for early in the school year and is usually distributed before school is out. The Smoke Signal, the junior high paper, will be written by Newspaper Production Classes and will be distributed to both junior and senior high school students.

REPORT CARDS

Report cards are issued every 9 weeks on a high school basis. In between report periods notices are sent home if students do not work up to capacity or if they fall below their usual level of performance. The County grading system is as follows:

- A—95-100
- B—90-94
- C—81-89
- D—75-80
- E—0-74

Report cards will be issued on following dates:

- November 14, 1956.
- January 31, 1957.
- April 10, 1957.
- June 11, 1957.

SCHOOL DAY

The school day will begin for students at 8:15 and continue until 2:45. Buses will begin picking up students at 7:40 A.M. for arrival at school by 8:00. These buses will remain for ten minutes after the closing of school before departing. All students are urged to plan their afternoon activities so that they may be ready to depart on schedule. Students are expected to eat their lunch in the school cafeteria during the thirty minute lunch period. Those desiring to go home for lunch must present a request signed by a parent to the office in order to receive a lunch pass. No students are permitted to leave the school area during the day without permission from the office. This policy will be strictly enforced by the Administration.

SENIOR CLASS RINGS

Juniors who are being promoted may order their Senior Class rings in the spring of their Junior year. They will be delivered early in the fall of their Senior year. There will be further opportunity for Seniors desiring rings to place their orders in the fall. The price of the girls' ring is \$14.58, tax included. Boys' rings will be priced at \$17.33, tax included.

SENIOR HONOR CARDS

Honor cards are granted to senior students who have shown that they are capable of assuming the responsibilities of adult conduct and citizenship. Each senior will receive an application which he may fill out if he wishes to apply for an honor card. In evaluating an applicant, the following may be considered: maximum effort, conduct, and cooperation. The purposes of the honor card system are:

1. To encourage responsible school citizenship among seniors.
2. To increase the individual's awareness of his responsibility for his own conduct.
3. To prepare seniors for college and community citizenship.
4. To establish meaningful precedents for those seniors to come.

Honor card holders are expected to maintain the high standards that the card signifies. In the event a bearer of the card abuses privileges that accompany it or fails to continue following the standards, the card will be revoked.

The honor card:

1. Permits him to use the Senior Court for smoking, studying, or relaxation.
2. Permits him to leave study halls for a period of ten minutes, with the permission of his teacher.
3. Permits him to leave class after completion of a test, or other activity, with the permission of his teacher.
4. Serves as a permanent hall and library pass.

SCHOLARSHIPS

Students who are interested in scholarships should begin to investigate the possibilities early in the school

year. It is often necessary for scholarship applicants to take the College Board Exams in December or January. Seniors should inquire about scholarships at the colleges. They are interested in attending and they should consult the catalogs of those colleges for information pertaining to scholarships. There are also reference books on scholarships available in the school library.

It is wise to investigate national scholarship opportunities such as those offered in the General Motors National Scholarship program and the Naval ROTC program. The guidance counselors will have information on these programs and many others, and will keep those students, who indicate an interest, posted on these possibilities. Current literature (newspapers and magazines) often contains articles pertaining to scholarships, particularly those awarded on a national scale.

Finally, students seeking financial assistance should investigate loan possibilities. Many colleges have loan funds which are virtually untapped.

SMOKING

Students are not permitted to smoke in the school or on the school grounds. The only exceptions to this are Senior Honor Card holders who can smoke in the Court. The penalty for this infraction is suspension from school on the first offense.

SCHOOL STORE

The school store, located on the first floor across from the office, is sponsored by a staff member and operated by students. All necessary supplies, such as pencils, paper, and notebooks are available. Such articles as school jackets, pins and pennants are also for sale. Prices of these items have been established in order to save money for the students, as well as to provide a slight profit for the general fund of the school. The store is open during the regular school day and for short periods before and after school.

STUDENT EXPENSES

Student expenses for most pupils will be:

Physical Education Fee: This includes a deposit on the combination lock that will be used on the gym locker, which will be returned at the end of the school year if

the lock is in good condition; a towel fee, and gym shoes and suits if needed.

Class Dues: The amount varies with each class. This will cover a subscription to the school newspaper, representation in the Starstone, and admittance to the class social activities.

Club Dues: This applies only to the students who join those clubs which have a fee assigned in order to cover operating expenses. The amount will vary with the individuals.

TARDINESS

Students are expected to report to school and to class on time. Continued tardiness will be referred to the office for action. All time assigned as detention must be served after the regular school day. If a student is detained at home, he must bring a note signed by his parents explaining the reason for his tardiness. When the student arrives at school after home room has ended, he must report to the office for an admittance slip. Should a teacher detain a student, the teacher will provide him with a note of admittance to his next class. If for any other reason the student is late to class, he must pick up a tardy slip at the main office.

TELEPHONE

The use of the telephone in the school office is limited to important school business only. Students are not permitted to make or receive calls through the office. Only in a case of real emergency will a message be delivered to a student during school hours.

Pay telephones are provided for students' use before and after school and at lunch time. A key for the main hall telephone is available in the school office.

THRIFT SYSTEM

Wakefield High School has initiated the first thrift system in the Arlington County Schools. The purpose of the system is to teach thrift to the students, to give them actual experience in saving, and to give them experience in handling money, pass books, and ledger cards.

The Thrift System, which is located in the northeast wing, second floor, next to room 237, is sponsored by the First Federal Savings and Loan Association of Arlington.

Selected students will work in the Savings Department under the supervision of the Director of the Thrift System. Both the director and the personnel handling the money are bonded.

The total funds invested in the Thrift System will be credited to a savings account in the First Federal of Arlington. This account will earn the current dividend rate being paid by the Association, and will be paid semi-annually, December 31, and one week prior to the close of school. At present the dividend rate is 3%. Students must deposit a minimum of \$.50 to open an account. Not more than four withdrawals will be allowed each month.

TRANSPORTATION

Students who live outside the one and one-half mile radius of the school building will be transported by county school buses free of any charge. Bus passes will be issued to those students authorized to ride a specific school bus. Loss of pass or improper bus conduct may cause you considerable inconvenience. Protect this pass; it affords you an important privilege.

Students are expected to maintain their best behavior while in transit to and from school. The bus drivers are in complete charge of the total group, and any disciplinary problems originating on these buses will be directed to the principal's office.

VISITORS AND SCHOOL GUIDES

The school is open to visitors at all times. Parents are welcome to visit the school, meet the teachers, and observe methods of instruction. They may call the office and arrange these visits so that guides may be provided and visitors passes issued.

WITHDRAWAL OR TRANSFER FROM SCHOOL

When a student desires to withdraw or transfer from school, he should observe the following procedure: Present a note to the office from his parents or guardian stating the reason for the withdrawal or transfer; see that a form which will be given to him is signed by all the staff members concerned with his school program, and return this form to the office where a transfer will be prepared.

Y-COUNCIL

The Y-Council acts as the coordinating body of all Wakefield High School Tri-Hi-Y and Hi-Y chapters. Through this organization, a closer relationship is formed between the Y-Clubs in the area and ultimately throughout the United States.

The Y-Council consists of one elected representative from each Y group. From these representatives, the officers of Y-Council are elected.

The responsibilities of this body include: planning joint activities, setting Y-Club policy, reviewing both membership applications and constitutions for each prospective Y-Club.

Any senior high student desiring membership in the Tri-Hi-Y's or Hi-Y's must submit an application to this council for final approval.
